ICOI Winter Implant Symposium
New Orleans Marriott
February 20-22, 2025

Dear colleagues and friends,

It is an honor and privilege to welcome you to the ICOI World Congress 2025, in New Orleans.

New Orleans is a Louisiana city on the Mississippi River, near the Gulf of Mexico. Nicknamed the “Big Easy,” it’s known for its round-the-clock nightlife, vibrant live-music scene and spicy cuisine reflecting its history as a melting pot of French, African and American cultures. Embodying its festive spirit is Mardi Gras, the late-winter carnival famed for raucous costumed parades and street parties.

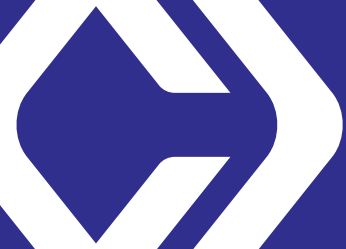

ICOI recently celebrated 50 years of advancing implant dentistry to more dentists, more than any other dental organization. As we continue to celebrate this achievement with humility and gratitude, we stand on the shoulders of our founding leaders, Drs. Kenneth Judy, and Carl Misch to forge a path for the next half century built on science, data and precision care. However, this path must be anchored in Critical Forward Thinking for better patient care.

“Critical Forward Thinking in Implant Therapy” is the theme for this congress. Once a diagnosis is determined, our international panel of experts’ lectures will emphasize the importance of Critical Forward Thinking in Treatment Planning, Surgical Phase, Prosthetic Phase, Complications, and Maintenance. Additionally, the innovations in material science, technologies, digital workflow, clinical protocols will be addressed to maximize success-precision therapy that improve quality of life for patients, and a rewarding, fulfilling journey for the entire clinical team.

On behalf of the ICOI, I invite you to join us in New Orleans to share your knowledge, learn, and participate to set a new launching pad for your career in Implantology.

Sincerely,

Dr. Nicholas Elian
Scientific Program Chair

Critical Forward Thinking in Implant Therapy

A forward-thinking mindset is proactive, instead of reactive. Individuals with this mindset are always looking ahead, and planning for what could happen. However, Critical Forward Thinking is the ability to make informed decisions by evaluating several different sources of information objectively. As such, the mission of the symposium is to integrate an objective methodology for all phases of treatment of the implant patient by empowering critical thinking clinicians who possess many essential skills, including analysis, creativity, problem-solving and empathy to lead the ICOI to new treatment options and research.

Learning Objectives:

- Differentiate between critical and practical thinking
- Determine a treatment plan for the life of the patient and not for the life of the case
- Anticipate the surgical challenges that might impact your execution
- Understand the limiting prosthetic variables imposed by surgical options
- How to avoid complications for long term success
- Clinical judgement and decision-making process

Accreditation

ICOI designates the Scientific Program for 20 continuing education credits.
All Scientific Session presentations are lecture format and qualify for AGD Subject Code 690 Implant.

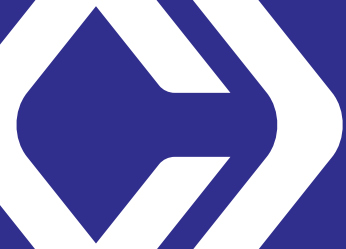

ADA C.E.R.P.[®] | Continuing Education Recognition Program

ICOI is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

PACE ACADEMY of GENERAL DENTISTRY PROGRAM APPROVAL FOR CONTINUING EDUCATION

International Congress of Oral Implantologists (ICOI). Nationally Approved PACE Program Provider for FAGD/MAGD credit. Approval does not imply acceptance by any regulatory authority or AGD endorsement. April 1, 2024 to March 31, 2028. Provider ID# 217378.

8:00 AM – 12:00 PM

Sponsored by:

Fee: \$149 USD

**Attendance is limited*

Dr. Louie Al-Faraje

Advanced Surgical Techniques for the Rehabilitation of the Atrophic Maxilla: The Pterygoid Implant Solution

The pterygoid region provides an alternative anchoring point for implants in cases of highly resorbed maxillary ridges with insufficient bone volume. Pterygoid implants provide increased stability and support while eliminating the need for bone grafting procedures, which can simplify the overall treatment process. Pterygoid implants most often are placed using immediate loading protocols.

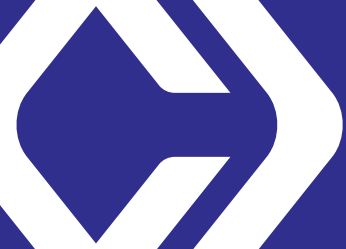

Minimize surgical complexity! Avoiding certain bone augmentation steps and utilizing alternative implant sites can contribute to a more straightforward and efficient treatment plan.

If you are an implant practitioner seeking to advance your skills in minimally invasive treatments in the atrophic maxilla, you are strongly encouraged to attend. Mastering the pterygoid implant protocol with Dr. Al-Faraje will transform your implant practice.

Course Objectives:

- Pterygomaxillary Anatomy (maxillary tuberosity, pterygoid process, pyramidal process, sectional anatomy)
- CT Scan Evaluation
- 3D Model
- Placement Overview (position of patient, insertion and angulation, implant placement tools, suturing, and postoperative care)
- Digital Prosthodontic Protocols
- Complications and Solutions

Young Implantologists

**Thursday
February 20, 2025
Afternoon Session**

12:45 PM – 1:00 PM

Opening Comments

1:00 PM – 1:30 PM

Dr. Ines Zouari

Treatment of Infected Maxillary Sinus Augmentation

1:30 PM – 2:00 PM

Dr. Jonathan Misch

The Crucial Role of Limiting Marginal Bone Loss in Preventing Peri-Implantitis

2:00 PM – 2:30 PM

Dr. Angela Vida Kalaw

Splinting of Implant and Natural Tooth to Treat Cleft Palate Patient - A Case Report

2:30 PM – 3:00 PM

Dr. Salar Zeinali Gelabi

Treatment Planning and Managing Mandibular Incisors

3:00 PM – 3:45 PM

Break with Exhibitors

3:45 PM – 4:15 PM

Dr. Marco Vinattieri Amelotti

Treatment Options for the Posterior Mandible in the Elderly Population

4:15 PM – 4:45 PM

Dr. Caia Vasile

One Day Implant

4:45 PM – 5:15 PM

Dr. Dai Lao Rodriguez

Esthetic Treatment of Altered Passive Eruption Case Combined with Crown Lengthening Procedure and Single Implant Placement

5:15 PM – 5:45 PM

Dr. Usman Hussain

Management of Impacted Maxillary Canines with Surgical Extraction and Implant Placement: A Case Series of Complex Bony Defects

5:45 PM – 7:15 PM

Welcome Reception and Tabletop & Poster Presentations

Main Podium

**Friday
February 21, 2025
Morning Session**

8:00 AM – 9:00 AM

Dr. Ali Afshar

Implant Success: Mastering the Art of Treatment Planning for Dental Implants

9:00 AM – 10:00 AM

Dr. Sylvia Frazier-Bowers

Oral Health and Craniofacial Characteristics in the Marfan Syndrome

10:00 AM – 10:30 AM

Break with Exhibitors

10:30 AM – 11:30 AM

Dr. Paul Mozer

The Final Battlefield: Robotic vs. Static Guided Surgery

11:30 AM – 12:30 PM

Dr. Marius Steigmann

Soft Tissue Management for Horizontal and Vertical Augmentation in the Aesthetic Zone

12:30 PM – 1:30 PM

Lunch with Exhibitors

Friday February 21, 2025 Afternoon Session

1:30 PM – 2:30 PM

Dr. Michel Dard

Surgical Research in Implant Dentistry: Methodologies to Develop Our Knowledge and Serve Our Patients

2:30 PM – 3:30 PM

Dr. Wenchou Wu

Prosthetic Complication and Solution of the Implant Prosthesis: Past, Present and Future

3:30 PM – 4:15 PM

Break with Exhibitors

4:15 PM – 5:15 PM

Dr. Alina Krivitsky

Decoding Bone Graft Material Selection in Implant Dentistry

5:15 PM – 6:15 PM

Dr. Robert Eskow

Interpreting Crestal Bone Loss

Saturday February 22, 2025 Morning Session

8:00 AM – 9:00 AM

Dr. Jaime Jimenez

Managing Complications from Poor Treatment Plan

9:00 AM – 10:00 AM

Dr. Craig Misch

The Future of Bone Augmentation: Evolving Concepts

10:00 AM – 10:30 AM

Break with Exhibitors

10:30 AM – 11:30 AM

Prof. Dong-Seok Sohn

Reconstructing Severely Resorbed Alveolar Bone and Maxillary Sinus with a Patient-Centered Approach

11:30 AM – 12:30 PM

Dr. Eva Anadioti

Implant Supported Full-Arch Solutions: Current Fixed & Removable Options

12:30 PM – 1:30 PM

Lunch with Exhibitors

Saturday February 22, 2025 Afternoon Session

1:30 PM – 2:30 PM

Dr. James Fine

The Short Implant: Is It a Predictable Option?

2:30 PM – 3:30 PM

Mr. Sander Polanco

A Novel Approach Utilizing the Patient Digital Twin for All-on-X Treatments

3:30 PM – 4:15 PM

Break with Exhibitors

4:15 PM – 5:15 PM

Prof. Dr. Cristian Dinu

Implants in the Aesthetic Zone – Key Factors for Success

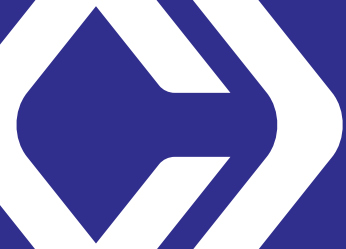

5:15 PM – 6:15 PM

Dr. Joan Pi Afruns

Clinical Performance of Ceramic Dental Implant for Tooth Replacement

Tabletop and Poster Presentations

Thursday, February 20, 2025 | 5:45 PM – 7:15 PM

You don't have to be a Main Podium speaker to participate in our congress. Why not plan to present a Tabletop and/or Poster presentation? A "proven training ground" for future and current Main Podium speakers, the very popular Tabletop and Poster competition will be held in tandem with our Welcome Reception in the Exhibit Hall. It allows presenters to interact with colleagues in a social, yet instructive manner. Tabletop and Poster presentations should display a challenging case or concept in a limited time format, i.e. 5-7 minutes, so that the case can be repeated as new observers gather. Poster presentations will be placed (tacked or taped) on boards at the beginning of the congress and will remain on display throughout the congress. Poster presenters should be at their posters to answer inquiries during the Welcome Reception. All presentations will be judged, with the winners' receiving awards and main podium consideration for future ICOI meetings.

Remember, all Fellows, Masters and Diplomates who conduct Tabletop or Poster presentations help fulfill their five-year maintenance requirements

Parties interested in conducting a Tabletop and/or Poster presentation can download the application at www.icoicampus.org/events. **Completed applications must be submitted to Dr. Avi Schetritt by December 20, 2024.**

Dr. Avi Schetritt – Email: dravi@comcast.net

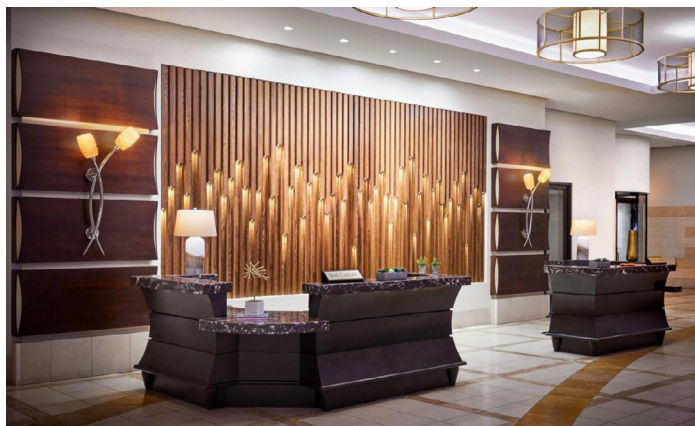

Hotel Information

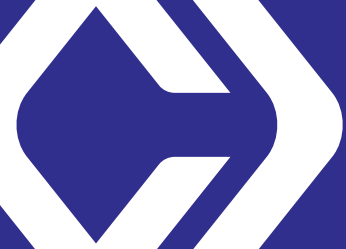

The New Orleans Marriott Hotel located on Canal Street at the entrance to the French Quarter, will once again be our host hotel for this symposium. Jackson Square, Audubon Aquarium of the Americas and Harrah's Casino are all within walking distance of the hotel.

In order to receive the discounted room rate of \$279, reservations must be made by **January 16, 2025.**

For reservations, please visit our website www.icoicampus.org/upcoming-events/ or call **(504) 581-1000.**

Don't forget to mention that you are a delegate to the 2025 ICOI Winter Implant Symposium.

Welcome Reception

**Thursday, February 20, 2025
5:45 PM – 7:15 PM**

Our Welcome Reception in the Exhibit Hall follows the afternoon session of the congress and allows for delegates to relax with drinks and hors d'oeuvres, socialize with colleagues, take advantage of product discounts being offered at the meeting by our exhibitors and to experience and discuss presentations made by our Tabletop and Poster participants. This aspect of the Welcome Reception continues to be a favorite amongst our attendees.

Diplomate/Mastership/ Fellowship

Awards Ceremony

**Saturday, February 22, 2025
Immediately following
the last lecture**

The Advanced Credentialing Awards ceremony will be held at the New Orleans Marriott Hotel and will celebrate our newest class of ICOI Diplomates, Masters, Fellows and ADIA Fellows. Attendance at this social event has grown tremendously, as our members have achieved their advanced credentials. It provides an opportunity for family, staff and other ICOI members to celebrate as we toast our newest credentialed members. Please indicate on the registration form the number of guests in your party. Dress is business attire.

Accompanying Persons

If you are planning to bring a spouse or companion, please complete the appropriate section of the registration form. A fee of \$225 will provide your spouse or companion with the following:

- Admission to the Welcome Reception on Friday evening
- Breakfast & Luncheons with the delegates on Friday and Saturday in the Exhibit Hall
- Morning and afternoon coffee breaks with the delegates in the Exhibit Hall
- Admission to the Exhibit Hall during show hours

Does not include admission to the General Session.
